Our Report of the Fight.

In accordance with the great desire to learn every particular of the contest between Methode and Coburn, we shall dispatch to the field of battle our most competent reporter in that speciality. We shall also have the services of Fred. Hunt, Esq. of Cincinnati, who is quite as conversant with sporting matters as any gentleman connected with the press in the United States. Our readers may therefore expect a full, reliable and graphic report of the fight in Thursday's panchers.

Inglot to-morrow.

—Capt, Delvecchio has "put a feather in his hat." He has done a public good. He has established a three-minute line of cars on the Market-street line. The new time-table worked like a charm. Every three minutes a var passed the corner.

DED.—We mentioned some days since that Lizzic Walter, twelve years old, was badly united the residence of her parents on Gray and the correction and do fustice to the association, and more especially to Mr. Tinsley:

The agent of the Associated Press at Richmond is elther a blockhead or a seamp. We believe the latter to be the tenderest designation we can give him. Here is what he felegands yesterlay:

"RICHMOND, May 9.—In the Conservative convention, which adjourned last night, no platform was proposed. The only object was treet, between Jackson and Hancock, during the absence of her mother, by her ciciling all the correction and do fustice to the association, and more especially to Mr. Tinsley:

The agent of the Associated Press at Richmond is elther a blockhead or a seamp. We believe the latter to be the tenderest designation we can give him. Here is what he fele specially to Mr. Tinsley:

The agent of the Association, and unore especially to Mr. Tinsley:

THE POLICE QUESTION. The Cose Commenced Before the Court of Common Pleas—The Argument of E. S. Worthington Agalust the Bill,

We have already mentioned that the late police bill creating the Police Compulssion ers was to be tested before the rourts, the

The said board, for all the purposes of the act, shall have the use of the stationhous and equipments, acconferments and other a remmodations and things heretofore pervised by the said city for the use and service of the pedice, as fully and to the same extension to the pedice, as fully and to the same extension to the present police. And the Mayor am concern to content founcil and all other persons an animitation of the present police. And the Mayor am femilies and required to allow such use accordingly. In case the said Mayor uncleaned, or the officers or agents of said city refuse or neglect to allow such use as an when the same shall be required by said sound, the said board may apply to befferson fourt of Common Pleus, in the wome of succeed for a orandomes, or any other necessary arthorized provisions of this section, &c.

This proceeding is not "in the mane of said sound," but in the mane of persons who are nembers of that board. There is another and axer objection to it, on which I shall not any dwell.

The net proposes to take, and this process.

The sixth section of the sixth article of the onstitution is as follows:
"Officers for lowns and cities shall be *elected* or such *loron*, and in such manner, and with

MORITZ ROSENSTOCK, Beneral Manager of the neimman Munal Health Assurance for p. 11. ton, and state of Ohio, has projected a politic which those who depend upon a salary or or i gent become, may secure to their heirs, in the ex-ort death, a fund sufficient to provide for minor

It is based upon the principle of purely natural length, and is entitled "The Mutual Inhernance Find," the tractical execution of which is to be as Health Assurance Company, who, at the time of application to become a member of "The Mutoal Inheritance Find," is acceptable to the Extramore.

Physician selected by the Company or by the Go eral Manager, may contribute to said Facol the in required of his age, as stigulated in the to own fable of Rates, and his here shall, in the events his destili, receive an equitable dividend, as herein atter defined. 2010 10. ....

SEC. 2. Sold fund is to be classed in twelve t tasses, each month representing a Class, beginning with April as the first Class in each year.

SEC. 3. Any member may contribute to either or all of the Classes, paying monthly or collectively, invariably in advance,

SEC. I. A division of the finds of each Plass will be made annually on the last day of its corresponding month, upon the satisfactory proof of the death of one member or mure, and paid to the beneficiaries, less 33% per cent, current expenses. If, fortunately, no death has occurred among the members of a Ulass, the finds of such Ulass remain from year to year for a subsequent discassing.
